

IN THE DRAWINGS:

A replacement sheet is submitted for FIG. 2. The replacement sheet changes "HISTOR" to "HISTORY" in the dialog pointing to ref. no. SA6, and changes "EXCUTE" to "EXECUTE" in the dialog pointing to ref. no. SA7, to correct minor informalities.

An annotated copy of the original sheet including FIG. 2, showing the changes to FIG. 2 marked in red, is attached for the Examiner's convenience.
